

**MODEL: LW-GL260K | MR16 WELL LIGHT**

**DESCRIPTION**

Professional-grade low voltage in-ground fixture. Installs in-ground at grade level for concealed appearance. Model grate-protected lens for use in areas where lens could be scratched or impacted by aggregate, mulch, etc. Combines rugged brass lens with non-corrosive polymer body. Suitable for installation in landscape or hardscape areas. Avoid placing directly in areas where pedestrian or vehicular equipment can directly contact fixture. Lamp sold separately.
